subsequent LOC assessments and PCSPs must be submitted within MWMA.

- Upon approval of the PCSP, the case manager is to transition the person into MWMA and complete all subsequent LOC assessments and PCSPs within MWMA. All future applications for placement on the SCL waiting list must be submitted through MWMA.
- SCL Waiver Renewal
 - The Centers for Medicare and Medicaid Services (CMS) renewed the current SCL waiver application in spring of 2017. The official renewal was implemented on April 1, 2017. The SCL waiver renewal period is effective March 1, 2017 through February 28, 2022.
 - As of April 1, 2017, providers should be using SCL regulations [907 KAR 12:010](#) and [907 KAR 12:020](#). The regulations became effective June 3, 2016.
 - For documentation requirements after March 15, 2017, please see [SCL Provider Letter #A-49](#). DMS will follow those documentation requirements, exceptional support protocols, and the guidance provided about billing audits and information on technical assistance included in the letter.
 - As of April 1, 2017, all exceptional support requests must be submitted through the [Medicaid Waiver Management Application \(MWMA\)](#). No exceptional support requests will be accepted via fax to DDID.
